Experience the R-LINE, an eco-friendly approach to urban transportation. This FREE circulator bus service features hybrid electric buses that will connect you to restaurants, retail, entertainment venues, museums, hotels, and parking facilities in downtown Raleigh.

How To Ride
To get on the bus, simply wait for the R-LINE at a designated R-LINE bus stop. Buses run approximately every 15 minutes. The full downtown circulator loop takes approximately 30 minutes to complete. To get off the bus, pull the yellow cord located above the window as you approach your desired stop. This action alerts the driver that you wish to get off at the next stop. Exit the bus at your desired location and enjoy the rest of your day in downtown Raleigh.
